Township Board Meeting Covers Variety of Topics

BY MARGARET E. O'KELLEY

At the Township Board meeting held on February 12, 2003, several items were discussed and acted upon.

The meeting began with the Director of Planning and Zoning officially presenting the Board with the Drain Committee's Operating Rules and Procedures. At a previous Board meeting, Trustee O'Kelley had asked for this as well as their future plans. Trustee O'Kelley at the February meeting asked when the seven-year plan would be available and Mr. Kirtland indicated it would likely be presented within 90 days.

In another matter, Mr. Kirtland presented an emergency situation for the Board's consideration. He advised that a resident had major fire to their residence and that it would have to be totally rebuilt. The insurance company was proposing to place a temporary modular on the property while the home was being built.

He indicated this was contrary to our ordinances and ordinarily would go before the Zoning Board of Appeals for a variance. However, due to the emergency nature of the situation, he was asking the Board to grant the authority to allow that type of housing of the site.

He went on to say that the new residence will meet their

current codes and will be a larger house than was on the property. Trustee Adkins recalled that a previous Board allowed a temporary residence while the home was being built and she was concerned about a time limit.

This prompted Trustee O'Kelley to ask the resident how long the building would take. The resident responded it would take until September or perhaps as early as 60 days. O'Kelley made it clear that the request was technically not a waiver of an ordinance but a temporary waiver of enforcement of the ordinance. Mr. Kirtland agreed with that statement and indicated all other ordinances that deal with the building of the residence would be followed.

A motion was made by O'Kelley and supported by Carey to waive enforcement of the ordinance for this resident for a period not to exceed six months. This motion was passed by unanimous vote.

In another matter, the Police Officer's Council presented to the Board their recommendation to go to a 12-hour shift. This matter had been previously presented to the Board but the Police Chief asked the Board to hold off on a decision until he had an opportunity to review.

Chief Metzger was not available for remarks but the Board did have the written agreement between the police officers and the Township. Trustee Carey did say that she was willing to approve it for one year. A motion was made by Carey and supported by Trustee Krause to try the program for one year. The motion passed unanimously.

A humorous moment happened next when the Board considered a resolution presented by the Downriver Republican Grassroots organization. This is an annual resolution and sets aside a day

called "Constitution Day." This year they have set March 4th as the day. Traditionally, the Board has a Republican make the motion and supported by a Democrat. Since the Board does not officially have a Republican on the Board, treasurer Skrzycki made the motion and Trustee O'Kelley supported it. The motion passed unanimously.

The next matter that was considered was permission to allow the Huron Little Caesar's 14/under Baseball Club to use Lajko Park to hold their games. The Clerk indicated the dates did not conflict with any Township scheduled event and the use of the field was granted.

The next concern that was on the agenda was the purchase of software to implement a business-licensing program for all businesses in the Township. Clerk Bowers introduced the subject and said that several Board members have previously expressed an

interest in implementing a licensing program for all businesses in the Township. We do not recall any such public expressions.

She went on to say that they secured a bid from Fund-Balance (FBWin) who provides services to the Township. We don't recall any public discussion that bids be secured.

Perhaps this is what was on the minds of several Board members when they questioned the acceptance of the bid without an ordinance in place. The Township attorney said they should have an ordinance in place and the majority of the Board seemed to be in agreement with that.

However, discussion went on and Treasurer Skrzycki urged the Board to consider a motion promoting the creation of the ordinance but also approving the bid. He claimed he would like to implement the program by June 1st. Eventually Skrzycki withdrew his motion because

of the concerns expressed by several Board members.

It got a little confusing with Adkins and Carey proposing varying motions. Eventually, it was agreed to make a motion to table the matter and then a motion to instruct the attorney to draft an ordinance for Board adoption. Both motions passed.

EDITORS NOTE: The February 12th Board meeting turned out to be a special Board meeting because of several issues that were discussed. We were particularly interested in the Board's action regarding the Pinnacle property and Wayne County's dumping of clay and concrete on the site. Also, there was substantial discussion over an item on the Bills Payable. Lastly, during the Board Member's Reports there were a lot of interesting comments regarding the growth issues facing the Township. We plan on reporting on these items in later issues.

Zavodsky Celebrates Anniversary with Bob Bondurant's School

Audrey Zavodsky recently attended Bob Bondurant's 35th Anniversary. She was invited by Mr. Bondurant to be a part of the 35th anniversary of his school. This was an event that was attended by such notables in the auto racing world as Mr. Phil Remington. He was responsible for much of the body innovations on the AC Cobras. Audrey also participated in giving "hot laps" to the people in attendance. She was provided with a Corvette Z06 for this event. The party went

all day with helicopter rides, great giveaways, a live band from Las Vegas, and much, much more. Mr. Bondurant was given many gifts including an outstanding personalized 35th anniversary leather jacket by his staff. It was a great event and Audrey said that she was "surprised to be invited to spend time with racing legend Bob Bondurant."

During the anniversary party, Corvette Mike rolled out a Mosler MT 900. He spoke with Audrey and then decided to let her take it for some "hot

laps." When they came back in, he was impressed with Audrey's driving technique and decided to try to match Audrey's lap times. He went out and promptly spun this beautiful \$180,000 machine. He then asked Audrey to take some more laps in the car. Of course, she was happy to oblige.

Mr. Bondurant made a Z06 available to Audrey during this week. She promptly went out and knocked out some very impressive times with this vehicle. The other advanced drivers and the instructor watched as she improved her times each time she went around the advanced track.

Audrey continues to add cars to her portfolio of vehicles driven. The Cadillac CTS is the latest addition. This is the vehicle that Mr. Bondurant is now using at his school for the many courses he offers.

Check out Audrey's website: www.zavodsky.com to keep up with her schedule and events.

Your Cosmic Look For The Week Of Feb 27th — Mar. 5th

For entertainment only!

Pisces Feb 20 - Mar 20

Favorite time to run into the sun but run only with those you trust not to push too hard. Friend from afar sneaks back into your life but one who loves you stands in the way. Take time to think then jump. 0316

Aries Mar 21 - April 20

Only sad people bring you down so seek those who smile thru rough times. Children grow into young adults but brains seem to digress. Roll eyes in direction of one you don't care about. 0317

Taurus April 21 - May 21

Is you lucky number familiar to all or just someone special. Smiles bring joy to Scorpio but not to all. Plan birthday party for spouse now but don't spill the beans about gift. 0318

Gemini May 22 - June 21

Something sounds familiar but so distang. Look into back yard for those who mean you harm. Animals may be pets but may bite your hand. Watch for others in truck before swerving into road. 0319

Cancer June 22 - July 23

Friends change position on protecting you from harm. Remember who must come first. Send losers out the door and start anew. Listen carefully to news but do not go overboard on advice. 0320

Leo July 24 - Aug 23

Tasks mount and you sway under the pressure. Bite your tongue instead of hurting feelings. Think of another way to make your thoughts heard. Watch stars for signs of upcoming events. 1503

Virgo Aug 24 - Sept 23

How many times can you say oops and get away with it. Time to do as you tell others you plan to. Words become like dull picture on wall. Not exciting. Keep children safe as only you can. 1603

Libra Sept 24 - Oct 23

Spring around the corner but not before you get full ice of sleds. Caution needed in days more than nights but only you can determine to what measure. Spouse finds odd events calming? 1703

Scorpio Oct 24 - Nov 22

What is seen by some as danger is only fun for you. But fun can lead to danger and places you need not be. Special love comes into your life ow was the love always there. You be the judge but don't be judged. 1803

Sagittarius Nov 23 - Dec 21

Running in place or to some place is all the same when you never arrive anywhere. Spouse is on edge but keep the peace by smiling and use of helpful hands. Lock door keep all goodness in. 1903

Horoscopes

Favorite month has arrived and all know why. Flowers not ready to bloom but thoughts are on your mind. Plan special event with all family members but don't allow pretender to butt in too much. 1111
